Regulatory Services
Inspection Report Form
Food Hygiene (England) Regulations 2006

Summary

1. Deep clean your store room shelves
2. It was noted that the store room floor paint is lifting and peeling off. This should be repainted in the summer to leave an easy to clean finish
3. A detailed clean is required at the wall/floor junctions in the preparation room.
4. Complete your safer food better business pack as discussed during the inspection
