**Purpose of Inspection**

The purpose of the inspection was to help you comply with the following legislation:-

- Food Hygiene (England) Regulations 2006
- Regulation (EC) No. 852/2004 Hygiene of Foodstuffs
- Food Safety Act 1990
- The General Food Regulations 2004
- Health and Safety at Work etc. Act 1974
- Health and Safety Regulations made under the above Act

**Overview**

I was disappointed to see that there has been a marked deterioration in standards since the last inspection. This business is well below average when compared to similar concerns.

**Schedule A – Legal Requirements**

**Food Safety & Hygiene Issues**

There were no food safety and hygiene contraventions noted at the time of inspection
