1	<p><b><u>Food Safety Management Procedures</u></b></p> <p>Food Hygiene legislation states that you are required to identify food safety hazards and risks relevant to your business and to put in place procedures/controls to prevent problems. This requires you to provide some simple written evidence that your procedures to ensure food safety have been thought through carefully and are being properly applied. The guidance issued in the “Safer Food Better Business” folder is considered appropriate. This folder was left with you previously.</p> <p>Unfortunately at the time of the visit this documentation was not available on site. <b>For evidence of compliance, the completed Safer Food Better Business pack and up to date diary and monitoring sheets, for example</b></p>	immediatley
